

Lyrics to Woodson Band Song

Band Nerds in Nashville

By W.T. Woodson High school band and James Dean Hicks

Verse 1:

At 5 am we left Woodson

12 hours with my favorite geeks

We were chillin' and watching Cool Running

With junk food in our cheeks

Chorus:

Band nerds in Nashville

We follow every rule

Band nerds in Nashville

We're super duper uncool

Verse 2:

Mr. Dodson must have saved money

Because the hotel didn't have stairs

There were no locks on the bathroom

No fans to clear the air

Chorus

Verse 3:

We went to the Grand Ole Opry

Wrote a song at the Hall of Fame

Fell asleep at our own concert

Never knew we were so lame

Chorus
